OL' FAITHFUL SAVINGS ACCOUNT

Save your Tax Refund!

If you are expecting a tax refund this year, take the opportunity to save all or a portion of this money in an Ol' Faithful Savings Account.

Once you have your Ol' Faithful account open, we can set up an account transfer from your CFCU checking account where money is automatically transferred to this account.

You tell us how much and how often you want to save. For example:

- \$15 every week | \$50 every month**
- \$25 every 2 weeks | The choice is yours!**

You can then set back and relax and watch your savings add up!

If something comes up, your money is always available for you to access. Call us today and we can open the Ol' Faithful account over the phone for you.

Identity Verification Questions

According to the Federal Trade Commission in 2010 over 250,000 consumers reported some type of identity theft, making identity theft the most frequently reported category of consumer complaints*.

We are committed to help prevent unauthorized access to your accounts and/or identity theft and we are updating our procedures to assist in identifying you over the telephone. As an added security step for your accounts we will be asking you to provide answers to non-public personal questions that only you will know the answer to. The next time you visit one of our offices or contact us via telephone our member service representatives will ask you for this information. You will be asked to answer one or a combination of these questions whenever you contact us over the telephone. We appreciate your continued assistance and patience during this transition.

ST. PATRICK'S DAY FUN FACT

The actual color of St. Patrick is blue. Green became associated with St. Patrick's Day during the 19th century. Green, in Irish legends, was worn by fairies and also by people to encourage their crops to grow.
